Growing Design Firm Adds to Staff

June 26, 2007 -- With the addition of Patti Smith-Jackson and Dan Rashid, Werremeyer, a graphic design agency located in Webster Grove, now is 14 staff members strong.

Patti Smith-Jackson brings to the firm 25 years of marketing communications experience. She will provide account services for Werremeyer's healthcare, financial services and non-profit clients.

Dan Rashid joins Werremeyer as a web developer after two years of experience in marketing and advertising. He will be working with Werremeyer's designers to build web sites for the firm's interactive clients.
